

COOK INSPIRE CHANGE

WE NEED YOU

We are looking for volunteers to support us with our Sales & Marketing.

The role would be 2 to 8 hours a week.

This role can be performed remotely and fit around work and other life commitments.

If you have professional experience in this area, are interested in food and would like to contribute to the development of a small social enterprise, please get in touch!

WHO WE ARE

4Lunch is a social enterprise dedicated to serving great food and to serving the local community.

We've been running pop-up cookery workshops, training and street food markets throughout Greater Manchester since 2013, working with over 450 people.

Through our activities, we've helped people to eat more healthily, save money, improve their employability and confidence, and we've even helped individuals to realise their dream of setting up their own food-based businesses.

We are looking to expand our cookery school and explore the possibility of moving into premises.
